Sharing with my community.
Every day.

Dear Friends:

Thank you for your holiday gift. You have truly "*Set a Table of Hope*" for your neighbour.

Can you visualize the face of your neighbour who needed hope? Perhaps your image is of a little girl with a beaming smile as she finds a doll under the tree and her mother in the background with a peaceful smile knowing that she did not have to choose between a present and food. Maybe your visual picture was of Grandma sipping a cup of hot soup or of a father walking tall and confident because he knows you have fed his family today, giving him a respite from his anxiety.

Your generosity reminds us that we live in a caring community which recognizes and supports residents who need hope in the form of emergency food assistance. Your donation of 135 pounds of food will provide hope for many of the 25,000 neighbours who will ask for food assistance, from The Food Bank of Waterloo Region and the agencies who we support, in the coming months.

Thank you once again. We trust that the hope you have given to others, has given you joy. May peace and prosperity be with you throughout the coming year.

Sincerely,

Wendi Campbell, Executive Director
