We wish to thank you for your kind and generous contribution.

Canada's favourite magician and illusionist **Ryan Joyce: The Impossibility Tour** is proudly presented in support of The Children's Wish Foundation of Canada. The performance features some of the most amazing magic and grand illusions you will ever see. Both young and old alike will be amazed and delighted by this unbelievable entertainment spectacle.

As you know, The Children's Wish Foundation of Canada is the authority on wish granting in our country. With two decades of wish granting, and almost 15,000 wishes, Children's Wish is *extremely proud of the fact that they have never denied an eligible child a wish* and that they have been able to fulfill some of the most complex wishes imaginable. Granting wishes to children with high-risk life-threatening illnesses is their primary line of business and the most powerful way in which the Foundation fulfills its mandate.

Your support by purchasing tickets to this event goes a long way in helping fund The Children's Wish Foundation's vision. It is the ongoing kindness of hundreds of thousands of Canadians like you who have donated their time, talents and money over the years to help the Foundation make wishes come true. Please take a moment right now and return the bottom portion with your payment as soon as possible.

A big **THANK YOU** for helping to bring big smiles to some very special children.

PS: Please consider adding an additional \$2 gift to your original ticket pledge. Believe it or not just adding two dollars towards your ticket purchase makes a huge difference, please check the box in the contribution slip below:
